Subject: ICR185655 - RV.10 - Rates must reduce

G'day

I am David Johns of 3B Kalama Pde

The council is simply looking after themselves

. Put rates up as values go up and don't drop them when values go down.

My place is worth less now than what I paid for it. I am seriously losing money every day and am stuck with that fact and you want to rip me off further. It's not on!

Rates must go down not up.

In hope

Dave
