

Lot 2558 Augustus drive . l.i.a whom this may concern  
I object to differential rate increase on this above  
address, this proposed model is not fair for landlords  
who wish present real nice property, we pay more. I  
believe some increase needs to happen, city of  
Karratha ,have done great with appearance of our  
town. Plus standards in which all facilitys are kepted.  
Time may have come where spending need to be  
reviewed,to keep rates at fair level
