Hi my name is Paige Taylor, I live at 54a Galbraith road, I would greatly appreciate if city of Karratha did not put my rates up this year as my property has devalued over the past years. I'm about to have my first baby and just don't think I can handle anymore bills. Karratha is classified as a city now but yet we still are paying double for the cost of living, if you want people to make this town there home, something needs to change.

Kind regards  
Paige
