Good evening,

My name is Nathaniel Kett, I own 22 Nyamina Road in Baynton West.

I object to the City of Karratha increasing rates when my property has been substantially devalued.

Our town in an excellent place to raise a family, we are all proud of the improvements that have come to fruition in recent years. I have been here for over 10 years and choose to call Karratha home. I resigned from a successful Policing career to allow my wife and I to continue to raise our young children locally (as opposed to the department enforcing maximum tenure). We sacrifice regular visits with family and friends to live in this beautiful place.

I have purchased property here and continue to support local business at every opportunity. I am involved in numerous local clubs and are passionate about community safety, continuing to act as a sworn Justice.

Please allow me to afford to own a property in the City of Karratha for many more years to come.

I trust you will reconsider the proposed increase.

Regards,

Nathaniel Kett JP
