I Ritchie Patching object to the rate increases my residential address is 27 Lewington way Bulgarra and I also have a rental property @ 10 melak st Bulgarra both properties have been substantially devalued impartially my rental property resale price has been cut in half and my rental return on the property is a 1/4 of what I was able to get in the boom time this is a massive financial strain on myself and my family .As a council you pushed for people to live in this town to turn it into a city. I am more than happy to live here and have invested a lot of my time in the sporting fraternity to make this a better place but if some relief is not sort soon I will be forced to reconsider were I reside.

kind Regards Ritchie Patching
