As long term residents of Karratha we, Stephen and Michelle Proud of 16 McWhirter way in Baynton, object to the City of Karratha increasing our rates.

I believe we are considerably disadvantaged as we have a large block size in Baynton which automatically gives us a higher level of rates. However our home is brick veneer, ex-state housing, built in the 70's, and only 3 bedroom, 1 bathroom. Our friends with newer, bigger houses yet in older suburbs ie. Millars Well and Pegs Creek, pay lower rates.

Additionally, our house is currently valued at less than our purchase cost of 12 years ago and yet our rates are substantially higher.

Regards,  
Stephen and Michelle Proud
