Subject: ICR185895 - RV.10 - Rate increase

Hi my name is Andrew Messer and I am the owner of 4 Tattler Route in Karratha I would like to object to the city of Karratha raising my rates as my house has been substantially devalued in the past years yet there has been no reprieve with regards to rates. My house was once valued at \$1,150,000 it was last valued at \$560,000 leaving me with negative equity. This whole town is on struggle street at the moment and the City of Karratha needs to realise this and should reduce rates not raise them. Many Karratha locals did the right thing by investing back into the community that we love, only to end up financially stuck in the mud. Give us a fair go.

Kind Regards,

Andrew Messer
