Hi my name is Darrin Hobart I am a ratepayer in karratha and I do not agree with your rate rise for houses that are now devalued if anything we need a rate drop as this is a normal town now and there is not huge money here anymore and you want family's to live here so this town can thrive but you are pricing family's out of the market so plz take this email into consideration and I don't just speak for me but plenty other that live here thank you Darrin and Shiona Hobart 2 Sing Place Pegs Creek
