Subject: ICR185884 - RV.10 - Rates 2018

Good morning

This email is from Russell and Joy Francis, our address is 26 Buchanan Circuit Baynton. We object to the COK increasing the rates on our property as our has been substantially devalued compared to the prior year GRV.

It is misleading to say that you have only raised the rates by 2%, it is good you have realised the GRV has decreased but have substially increased the rate per dollar.
