Subject: ICR185885 - RV.10 - Rate Increases

Hi there,

This email is to voice my concerns and objections at the cost of our ever increasing Rates.

Having been a rate payer in Karratha for over 20 years I have witnessed firsthand the constant increases. Sure while property and rent valuation go up that is to be expected but the same should go when valuations come down.

Isn't this how rates are supposed to be fairly calculated? Not oh we've spent way beyond our operating budget as a "City" better put the rates up to help pay for it all!!

Yours Sincerely
Warren Tomlins
