Hello

My Name is Rob McWhirter, and I live at 25 Koolinda Pde, Being a resident and home owner for the past 21 years I strongly object to the increase in rates as being proposed by the CoFk!

I especially object to the fact that I pay such an abhorrent costs on rates when **services** provided by the CoK in this town have not improved!

I object especially as continually I am subjected to scrutiny at the tip for dumping my domestic rubbish, just because I show up in my work vehicle!

Even more so when I enquire on a replacement green bin for my home, (because your truck driver dropped it) to be told that I have to pay \$150.00 towards the cost of such bin!

Regards,

Rob McWhirter
