Subject: ICR185870 - RV.10 - Rates

Good morning,

My name is Tom Petrickovic and I live at 2 Enderby Street in Nickol.
I'd like to strongly object to the City of Karratha increasing my rates.
The City of Karratha should be promoting the city as a place to live and grow a family.
The boom is over and housing is affordable on the lower wages people are now making.
A rates increase is not justified and will drive more people out of town.
The City of Karratha should be doing everything in its power to attract people to town not drive them away.

Regards,

Tom Petrickovic
Operations Manager
