**Subject:** ICR185832 - RV.10 - Increase of Rates Outrageous!

Hello COK

We have 2 properties in Karratha 4 Lawrence Way and 33 Leonard Way and we object to the rates being raised!!

Seriously we had to pay for underground power before we got it and yet one of my properties still does not have it!!  
We cannot get an answer as to when we will get it either!! Now you want to raise the rates!!

And you wonder why people don't want to move to Karratha and there are so many houses on the market!!

Thank you
