To whom it may concern,

I am writing to you on behalf of Karratha Tilt Tray and Towing of 1150 Mooligunn Road, Karratha in opposition to the rate increases. Rates are there to reflect the value of the land our properties reside on and in light of the property values severely decreasing we do not agree with the rate increases. Many people and property owners in Karratha are already struggling to keep afloat with properties they paid more for than are now valued including businesses. As a small business, Rate increases could in fact be the difference between keeping or losing businesses in town. Please re-evaluate the need to raise rates in the City of Karratha and what is best for the City and its residents.

Kind Regards,

Bek Borlase
