**Subject:** ICR185976 - RV.10 - COK Rate Increases

Hi

My name is Jordan Grigson - 4 Melak Street, Bulgarra and I object to the proposed rate increases after my house has been substantially devalued. The drop in house value has also reflected a drop in CPI which has resulted in a wage reduction for myself and partner. Please prioritise your maintenance and capital spending in line with current rates.

Regards,

Jordan Grigson
