To whom it may concern, I am the owner of 3 Brushtail street Baynton west and I object to the fact that the rates for my property are rising as my house has actually devalued in price since I've been here, it is now worth 40k Less then what we brought it for last year, so how do you think it's ok to raise the price on the rates when the value has decreased.

Please contact me with good reasons to why the rates are increased. Kind regards Jasmine Davidson may 2018. Property owner of 3 Brushtail street.
