My Name is Vicki Birnie of 41 Harding Way, Karratha.

I am objecting to any rate increase to the rate payers of this city when my home has lost value over the last 4 years. I don't believe that it is necessary, I think the council should be looking at spending less on big ticket items and just doing their job of servicing the people.  
Building hotels is not part of job description.

How do you expect people to move here and buy a home when we pay more rates than most areas in Perth do.
