Hi my name is Sharon Te Moananui

I would like to make a complaint on behalf of rate payers in Karratha .

I personally dont own my own house here i live in a rented property in Haddon Way .

My daughter owns her home in Baynyon West , she has a very young family to support .

With the rise of the rates tell me what extra do the rate payers get for that.

There definetly aint security from those who choose to break into homes and cars parked in driveways.

What is the council going to do to stop the increased crime in the city of karratha, especially since the majority of these crimals are the unemployed and help themselves to the hard workers who earn their right to buy and own a house nd to feel secure in there castle.

The water is not even drinkable out of the taps ...

Some of the roads are still ripped up and the under ground power lines has also increased there power bills ..

Come on city of karratha ...look after the people and keep them safe and protected.

Not to mention current pedophiles been released from prison into our community and so close to the public schools ..how do you pkan to protect our children ...

Not to mention the 7 yr old raped in the shopping mall toilet by a 15yr old was it ...no it hasnt gone public has it ...

The people of karratha no alot and it seems too much is hush hush ..
