Attn: Vanessa Subramoney
Shire of Roebourne
PO Box 219
Karratha WA 6714

Dear Vanessa

REQUEST TO REDIRECT 2014-15 ACADS FUNDING TO SPECIFIC PROJECTS

The Karratha Community Association will not be in a position to submit specific applications for the 2014-15 ACADS funding [\$100 000] allocated by the Shire of Roebourne.

We still have access to previous funding which is required to be spent by the end of 2015, being the balance of \$33,000 plus any unclaimed monies from the current 2013-14 application.

The Karratha Community Association would like the shire to consider redirecting the funding to specific areas and suggest the following:

Yaburra Trail - \$30 000 to fund upgrade works to the trail specifically safety remediation to sections of the trail such as handrails and walkways/ steps to eliminate dangerous sections of the trail.

Karratha Foreshore Management Plan – Upgrade of the Searipple Lookout area - \$50 000 to seal the carpark and lookout access road.

If you require further detail on this matter please contact Peta Mott on 0439 951 352 to discuss.

Yours Faithfully

Kelly Grady
President KCA
