1. OBJECTIVE

1. To provide a framework for the approval of community ~~& sporting~~ events conducted on ~~City of Karratha Council~~ controlled property (i.e. reserves, buildings, public open spaces etc.) to ensure that all statutory, legislative and council requirements are met.
2. To ensure the public safety of patrons and to minimise the impact on residents as a result of an event.
3. To assist individuals and community groups planning to host events within the City of Karratha via the ~~development of an Expression of Interest to Host an Event within the City of Karratha and an Events Information Guide submission of an application for a temporary public building/event.~~

2. PRINCIPLES

2.1 Introduction

~~The Community & Sporting Events Information Guide has been developed to assist individuals, community and commercial groups obtaining the appropriate approvals required when hosting an event on Council owned or managed property, such as a reserve, building or public open space.~~ Council receives numerous enquiries and requests for the staging of events to be held within the ~~municipality~~ **City**. A Special Event may include events such as fetes, fairs, sporting events, concerts, festivals, market stalls, fundraisers or any other organised gathering.

[The City's webpage on Concerts, events and organised gatherings \(aka temporary public buildings\) has been developed to assist individuals, community and commercial groups obtaining the appropriate approvals required when hosting an event on Council owned or managed property, such as a reserve, building or public open space.](#)

Given ~~Council's~~ legislative ~~and~~ statutory requirements and the ever-increasing issues of public liability and risk management, it is paramount that Council introduce a formalised approach to the approval of the staging of events conducted on City controlled property or facilities.

Furthermore, the *Local Government Property Local Law 2003* details the necessity for groups and/or persons utilising ~~City Council~~ property to obtain relevant permits. Where groups/persons may contravene conditions of permits, ~~the City Council~~ holds the right to fine the applicant accordingly.

2.2 Application Procedure

Individuals, community, sporting or commercial groups ~~need are required~~ to ~~complete an Expression of Interest to Host an Event (EOI)~~ complete and submit the Application for a Temporary Public Building/Event form to the City before an event can take place on ~~Council~~ **City**-controlled land. ~~The EOI summarises the intention of the event and provides a checklist of event components that may require individual approvals before the event can take place.~~

[During the The early planning stages of an event EOI must be completed and forwarded to the Recreation and it is recommended that the event organiser make contact with the Facility Community Development Facilities Department as soon as possible in the early planning stages of an event to determine the availability of the Council City managed land or facility.](#)

~~Once the event organiser has identified what approvals maybe required using the EOI, an Events~~
~~The Department of Health WA has developed an information guideline for concerts, events~~
~~and organised gatherings. Information Guide has been developed to provide groups with the~~
~~necessary contacts on how to obtain the required approvals and when certain approvals need to~~
~~be lodged. basic standards and safety measures for event organisers which are necessary to satisfy~~
~~authorities such as local government, policy and other government departments. This events guide~~
~~is available on the City's website under Concerts, events and organised gatherings (aka temporary~~
~~public buildings). The onus is on the event coordinator to obtain the necessary approvals and~~
~~permits.~~

~~The onus is on the event coordinator to obtain the necessary approvals and permits. The~~
~~Expression of Interest and the Events information Guide has been developed to provide the event~~
~~coordinator with the necessary contacts to ensure the correct approvals are sought before an event~~
~~takes place.~~
