

**To be placed in Pilbara News for the  
28 November 2018**

***ADDITIONAL DOG EXERCISE AREAS***

Designated dog exercise areas were considered at the 10 December meeting of Council, in addition to those already within Karratha. A dog exercise area allows a dog to be let off lead to exercise, however the dog must still be under the control of the owner.

Submissions are invited in relation to the following areas being designated as dog exercise areas:-

- a) Lot 166 The Esplanade, Dampier (Hampton Oval);
- b) Portion of Lot 23 The Esplanade, Dampier (Beach Area between Hampton Oval and commercial marina); and
- c) Portion of Lot 289 Miller Close, Point Samson (Town Beach between Vitenbergs Drive and Meares Road) between the hours of 4.30pm and 8.00am the following day;
- d) Lot 698 Carnarvon Terrace, Roebourne (Harding River)

Dogs are not permitted off lead within carparks, children's playgrounds or when the reserve is being used for organised sport or other community activities.

Dogs (other than assistance dogs) are prohibited within public buildings, theatres and picture gardens, food premises or food vehicle (except alfresco areas), and portion of Lot 289 Miller Close, Point Samson known as Honeymoon Cove.

The City invites the community to review the proposed dog exercise areas and welcomes comments and suggestions. Plans of these areas are available online at <http://www.karratha.wa.gov.au/public-notifications>.

Please contact the City's Ranger Co-ordinator, Darrell Hutchens on 9186 8555 if you have any questions.

Submissions on the designated dog exercise areas should be made in writing quoting 'Dog Exercise Areas, Ranger Services, City of Karratha, PO Box 219, Karratha WA 6714 or via email to [submissions@karratha.wa.gov.au](mailto:submissions@karratha.wa.gov.au) on or before **Wednesday 30 January 2019**.
