

Long Service Recognition

Sport clubs and associations play an immensely important role in our community, supported by hardworking, dedicated members who volunteer their time to ensure a range of recreational options are available to the local community.

On Friday 19 October 2018, the City of Karratha will be hosting the annual Community Sports Awards evening. The evening will acknowledge and celebrate the efforts of the City of Karratha's community sporting groups - their volunteers, players, officials, coaches and sporting achievements over the past 12 months.

The recognition of long-serving volunteers within the City of Karratha sporting community, forms part of these awards.

Long Service Recognition is based on 20+ years of continuous service as an administrator or office bearer, provided to recognised community sporting clubs and associations based within the City of Karratha Local Government Area.

Nominations must be submitted by completing the below, accompanied by a signed letter of support from the local sporting club/association for which the nominee has volunteered for, endorsing their nomination.
