Dear Mr Adams

**Re: TRADING AT DREAMERS HILL**

I am writing to you to request that the current arrangements regarding trading at Dreamers Hill site on the corner of Dampier Highway and Bathgate Road ("Dreamers") be reviewed. Currently, the council resolution was that traders are allowed to trade from Dreamers on Monday to Friday with Saturday, Sunday and Public Holidays reserved for the private selling of motor vehicles, caravans and boats. I certainly understood the initial reasoning behind the resolution with Dreamers regularly at capacity.

However, since the resolution was passed there has been a large decrease in the number of vehicles, caravans and boats culminating in a total of only 11 vehicles on 23 August 2015 at 3pm. I would also envisage that the number of Dreamers selling permits from your records would also reflect this observation.

I therefore believe that there is sufficient space for a limited number of traders to trade from Dreamers on the weekends. If required, a section could also be reserved at Dreamers for trading without having any impact on the sale of vehicles, caravans and boats. If this resolution was mandated by Council, could I please request that this issue be discussed at the next Council meeting.

I would also like you take into consideration that we are a small family business that has been based out of Karratha since January 2015 and that we support many other local businesses.

If you wish to discuss the matter further, I can be contacted on 0427 700 174.

Yours faithfully
