Thank you Ròisin,

It was Letz Waffle.

Thank you.

Hi Jane,

I have passed this on to the individual who maintains this list. Do you know who has advertised that information?

Thanks,

Róisín

Good Afternoon Ròisìn,

Could I please request we have the Karratha Visitor Centre removed off your location list for your venders?

We already have people advertising they will be trading from here without asking.

Thank you

Jane
