To whom it May Concern

I strongly object to the Cok increasing my rates when my house/land/shed/workshop has been substantially devalued. I own 2 properties in the Roebourne LIA being 3 & 5 Jager Street Roebourne. The rates and the way things have been handled by the CoK over the pass few years have been appalling especially with the PUPS ordeal that I am still paying for now. I have owned these properties for over 20 years and have never had the issues that we have now with the council.

Jeanette Mitchell
