Subject: Rates Increase & Hotel Investment

Dear Councillors,

I wish to state my objection to the recently proposed rate increase for homeowners in Karratha.

I have lived in the Shire since 2004 and I am deeply involved in my community. I love it here and want to see Karratha grow and succeed. I do not think a rate increase is in the best interest of the residents of Karratha at this time. We need to be doing things which make owning a home here more attractive, not more expensive than it already is. Get behind home owners and residents!

Furthermore, I **strongly oppose** the investment of rate payers money in a private, hotel enterprise! If the proposal is worthy of capital investment, then let the market decide. A subsidised accommodation facility, competing with existing, struggling privately owned businesses, is not how I want my Council to invest funds. There are numerous other avenues of investment that I would support. Real estate is not one of them.

Regards,
Catherine Wall
