Subject: ICR185697 - RV.10 - Objection to 2018/19 house rates increase

Good morning

My name is Chloe Zietsman and my husband Morne and I are owner occupiers of 13 Prymn Court in Pegs Creek.

I am writing to you this morning to voice my objection to the proposed increase of the 2018/19 house rates. I think this is highly unjustified given the current housing market and the SIGNIFICANT decrease in property value over the past few years. There are so many people already struggling to pay their mortgages let alone increased house rates as well. You only need to look at the number of mortgagee sales over the last couple of years to see how much people are struggling and therefor being driven out of town. The proposed house rate increase will only increase the financial burden that so many are already crumbing under.

So I appeal to you, please do not increase the house rates this financial year.

Kind regards

Chloe & Morne Zietsman
