Subject: ICR185821 - RV.10 - Objection to RATE INCREASES

To City of Karratha

I am writing in my capacity as an owner of three properties in Karratha, and current Chair of the Karratha Village.

I am extremely disappointed that the City has increased RATES for properties in Karratha at a time when property owners are already struggling. As the City would be well aware, there has been a massive slump in property prices and rental prices over the last few years.

The stress on local land owners has been considerably compounded by City of Karratha property developments which **directly compete with local residents.**

I respectfully request that my objection, on behalf of the owners of the 50+ tenancies at Karratha Village is formally registered. I believe that any rate rise should be delayed until there is significant market recovery.

Yours sincerely
Catherine Douglass
