Subject: ICR186017 - RV.10 - Proposed rate increase

Our names are Garry and Irene Ralls and we own a house at 4 Prymn Court in your City and have just been alerted to a proposed increase in the rates. We would have thought that a hold should be put on increases for at least twelve months to allow the beleaguered and battered house owners to draw breath and repair the financial damage done by the reduction in land values but not the associated mortgages.

Put us down as objecting to the increase.

Regards

Garry and Irene Ralls
