Subject: ICR186082 - RV.10 - Objection to Rates Increase

To whom it may concern,

My name is Scott Munday and I am the homeowner of 14 Wallaby Street, Baynton West. I object to the planned increase in rates when the valuation of my property has just dropped substantially.

I have been paying ridiculously high rates due to the overinflated valuation of my property since I built it in 2012. To have my rates increase now, once the valuation has finally come back down to realistic levels is a real kick in the guts, when we should be getting some financial relief.

Please take this email as my formal objection to the planned rates increase and contact me on the below details if you would like to discuss this further.

Regards,

Scott Munday
