**APPLICATION FOR EXPLORATION LICENCE 47/2942  
BY HANSON CONSTRUCTION MATERIALS PTY LTD  
SITUATED ON RECREATION & PRESERVATION OF COASTAL  
ENVIRONMENT RESERVE 46855**

Under Sections 23 to 26 of the Mining Act 1978 mining may be carried out on certain classes of reserved land with the written consent of the Minister for Mines and Petroleum.

In respect to reserves under other Acts the Minister for Mines and Petroleum is to first consult and obtain the recommendation of the Responsible Minister and/or vested authorities before he can grant consent to mine.

The Minister for Mines and Petroleum has therefore directed that I commence the consultation process and obtain your comments and recommendation with regard to the impact of the application on the Reserve.

I have enclosed a copy and plan of the application for this purpose.

Your reply in due course would be appreciated please.
