For the Attention of the Shire of Roebourne

Lease for Wickham Pony Club Inc - LEASE OF LOT 179 STURT PEA ROAD WICKHAM

RE: PROPOSAL FOR HORSE RIDING TRACK TO BE ESTABLISHED ON UNALLOCATED CROWN LAND

As per email request (dated 15 July 2013) from Sam King, Club Development Officer, Shire of Roebourne, please receive this letter for consideration.

The Wickham Pony Club is seeking to have access to land that is currently deemed unallocated crown land for the purpose of a horse riding track for riders of the Club. The Club understands from advice of Sam King that the Club needs to request to operate on this land for the purposes of horse riding and should all appropriate approvals be granted, to have this portion of land incorporated into the current lease for the Wickham Pony Club.

The Club currently has access to a horse track that is used daily; however, this track is soon to be impacted by the development of additional sewage ponds by the nearby Water Corporation Sewage Farm. The installation of these ponds will mean that the track used by the Pony Club will be retrieved and used by the Water Corporation, therefore the Club is seeking to divert its current horse riding track onto the proposed unallocated crown land.

Photos and maps have been provided to Leigh Cover and Sam King to assist with the proposal.

We thank you for your time and consideration and look forward to receiving your response.

Kind Regards,

Mick Ball
