1. OBJECTIVE

Council acknowledges that due to exceptional circumstances ratepayers may at times encounter difficulty in paying rates and service charges as they fall due.

It is not the intention of Council to cause hardship to any ratepayer through the City's recovery procedures and consideration will be given to acceptable arrangements to clear any debt, where possible, prior to the end of the current financial year.

Council recognises there are cases of genuine extreme financial hardship where the interest on outstanding rates will cause the ratepayer further hardship. The guideline below outlines the scope and criteria for assessing applications of cases of extreme financial hardship and to write off interest of up to \$1,000 on outstanding rates and service charges.

2. GUIDELINES

Delegation 1.8 provides authority to the Chief Executive Officer under s6.12(c) of the *Local Government Act 1995* to write off monies owing in cases of hardship, which includes interest on outstanding rates and service charges.

The following conditions are all required to be met for a write off of interest on outstanding rates:

1. the ratepayer is experiencing extreme and genuine financial hardship;
2. the ratepayer had either no outstanding rates from a previous financial year or the ratepayer has an approved payment arrangement and continues to adhere to the terms of that agreement;
3. the ratepayer's circumstances are supported by an original hardship letter from a qualified financial body (e.g. a fully accredited member of Financial Counsellors Association of Western Australia, CPA/ICA Accounting firm or Bank);
4. where the ratepayer is a corporation or trustee that:
 - a) the applicant is authorised to make the application; and
 - b) the company or trustee is not insolvent or subject to administration.
5. where the ratepayer is an individual that:
 - a) they are not bankrupt or subject to a bankruptcy petition; and
 - b) no revenue is being derived from the property the subject of the application.
6. the maximum interest amount to be written off is \$1,000;
7. write-offs are applicable to interest on the ratepayer's principal place of residence or business only,
AND
8. the applicant must be the owner and/or occupier of the property and liable for payment of rates and charges.
