Dear Chris,

Proposed Road Naming at Mulataga Estate, Karratha – Endorsement from Ngarluma Aboriginal Corporation

This letter is provided to formally confirm the support and endorsement of Ngarluma Aboriginal Corporation (NAC), the recognised representative for the Ngarluma people and their lands, regarding the use of Ngarluma language for road naming for and associated with the Mulataga Estate development.

NAC confirms that it has been appropriately consulted by DevelopmentWA regarding the proposed Ngarluma road names for the development and that these discussions have occurred in a culturally appropriate manner, in accordance with our cultural governance processes.

On this basis, NAC endorses and consent to:

1. DevelopmentWA using Ngarluma words as per Appendix A of this letter for the purpose of road naming within Mulataga Estate;
2. The submission of these Ngarluma words to the City of Karratha for assessment and approval; and
3. The inclusion of these words in the City of Karratha's pre-approved road naming register, subject to consultation with NAC prior to any further use.

Yours sincerely,
