

Bathgate Road and Tambrey Drive Upgrades

Troy Newick, Manager City Projects & Engineering

Infrastructure Services

October 2026

Project Drivers

8,000 +

vehicles depend on this key route everyday.

Objectives

Address safety concerns raised by the Road Safety Audits

Improve incident patterns at the Tambrey/Bathgate Intersection and Dreamers Hill crossover

Improve congestion during peak times

Improve pedestrian and cyclist connectivity

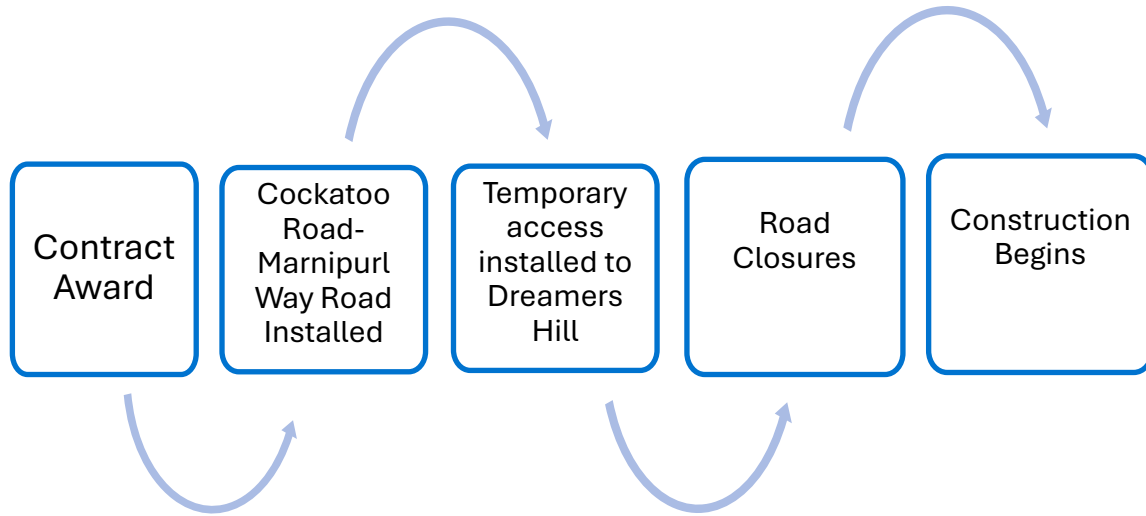

Project Scope

- Median Strips and turning lanes
- Bus stops, crossings and connected footpaths
- Construction of a new roundabout at Tambrey Drive along with road widening works at both intersections
- Relocate and upgrade road accesses including Dreamers Hill access
- Street Tree Planting on Western side of Bathgate Road

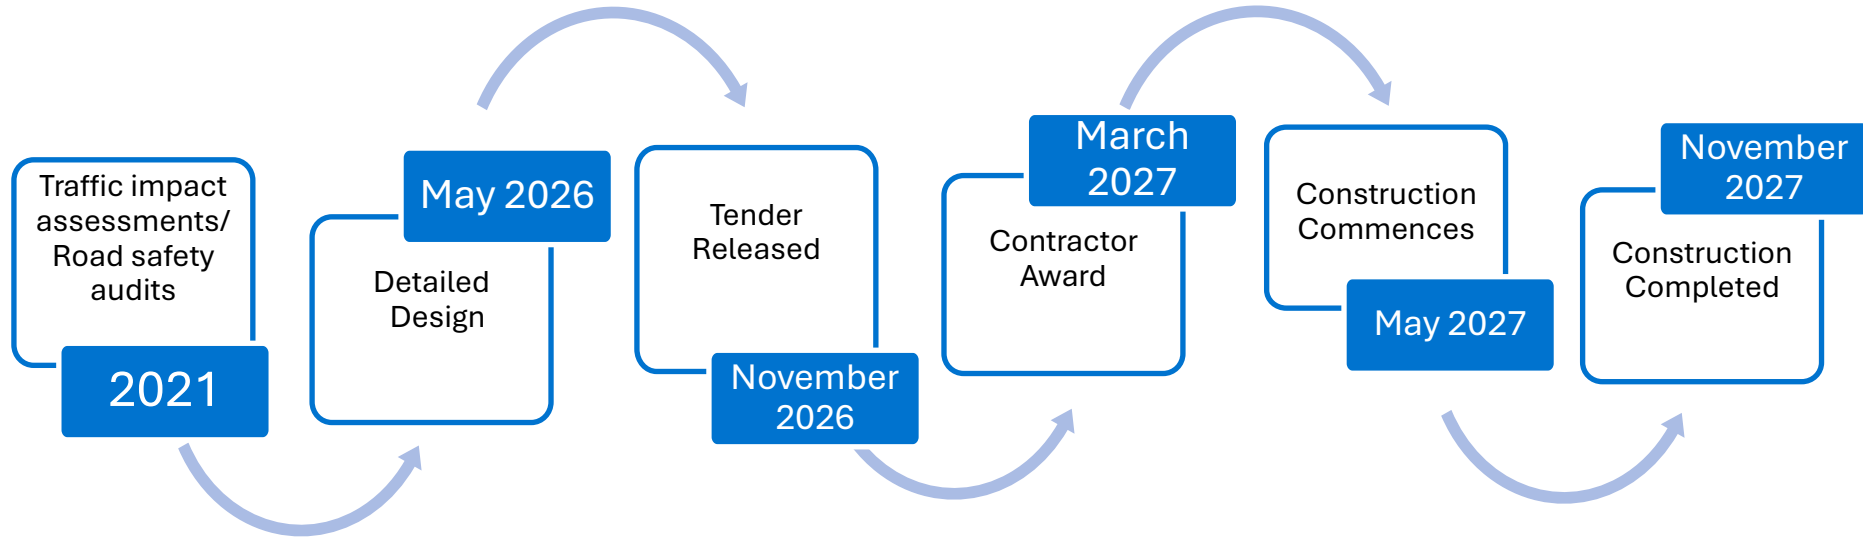

Construction Sequence

Maintains network connectivity and access for residents, businesses and emergency services

Timeline

Indicative timing only

Next Steps

Key stakeholders (businesses, school, PTA) to be consulted prior to Tender release

Final design completion & approvals

Confirm Dev WA Agreement for Cockatoo Rd

Construction Tender release
