Dear Kimberly

### 2015/2015 ACADS Funding

The Karratha Community Association Inc. (KCA) would like to request the following ACADS funds be placed into a reserve as follows:

- \$20,000 for an external consultant to assist the KCA with rebranding, developing a strong social media presence and conducting a community survey to identify the strategic direction that our Karratha Community Members would like us to focus on.
- \$80,000 for several Community Events or projects that will be developed as a result of the survey feedback from our communities members.

We expect the survey results to be completed and presented to the KCA Executive at the June 2015 meeting and project plans submitted by the 30<sup>th</sup> June 2015 to the City of Karratha.

We are looking forward to the City of Karratha's response and your continued support of the KCA.

Kind Regards,
